## Welcome to the Council of Europe

**The Secretariat of the Schools of Political Studies warmly welcomes the over 430 participants from the Schools who are here in Strasbourg for the Seventh World Forum for Democracy.**

- The Forum intends to be a place where you – young democratic leaders – are exposed to cutting-edge ideas and first-rate discussion on issues relating to democracy. This year’s forum will focus on gender equality and women’s rights, in particular, women’s public, political and economic participation, and on combating violence against women.
- The Forum is a place to exchange your experiences and to address your questions on the topics under review. We encourage you to share your knowledge and to use this event as an opportunity for mutual learning.
- In addition to the main Forum programme, a series of meetings and events has been designed specifically for the Schools. This brochure provides information on the following elements:

- ▶ Networking lunches;
- ▶ Visits to the European Court of Human Rights;
- ▶ The Diploma ceremony and the “family photograph”;
- ▶ Side Event in the City: Debate by the Association of Schools of Political Studies (ASPS)

- You will also find an insert with a list of the Schools’ participants at the Forum. Please use it to meet people from other Schools and to network.
- The Schools’ Secretariat looks forward to meeting you and hopes you will take full advantage of all these events as well as of the Forum itself. Enjoy, network, and help build a bright future for all!

## Networking Lunches

**The Networking Lunches are open only to those participants who have registered in advance. They will take place on *Monday 19 November 12.30-15.00 and Tuesday 20 November 13.00-14.30* in the Restaurant of the European Parliament.**

The idea behind the Networking Lunch is to create an informal environment in which you can meet other young professionals from other Schools with similar interests and ambitions. You will have the chance to share experiences of democracy in your own country as well as to exchange opinions on the topic of this year's forum. Tables in the European Parliament restaurant will be organised by language and by field of activity.

You have been assigned to a table in the European Parliament for one of the dates mentioned above. Please consult the table plans when you enter the restaurant.

*The participants who have not registered in advance will have lunch in the main part of the restaurant.*

## SPS Diploma Ceremony and Family Photograph

**Wednesday 21 November from 14.15 to 15.30**

The diploma ceremony will take place in the Hemicycle, Palais de l'Europe, in the presence of **Mr Thorbjørn Jagland, Secretary General of the Council of Europe.**

The group photograph will be then taken in the Hemicycle in the Palais de l'Europe at the end of the Diploma Ceremony.

## Meetings at the European Court of Human Rights (ECtHR)

**All participants must arrive at the main entrance of the ECtHR Building 15 minutes before each meeting to go through the security checks. Please do not forget your badge.**

## Women and Men: Fighting Together for our Values and Rights

What's happening to Europe? Human rights and shared European values are under threat from a growing number of populist movements and authoritarian nationalist governments which are perverting democracy and the rule of law.

Women and men must stand together in the fight for our rights and our values without which gender equality and the rights of migrants, refugees and other minorities will be difficult if not impossible to achieve.
